ESSENTIAL SKILLS WORKSHOP

Having trouble with fractions, percentages, and decimals?
Take some time to finally master those basics, rebuild confidence,
and improve math grades.

SAT/ACT PREP COURSE

Our proven program provides individual focus to get the score
needed for college admissions. Take advantage of these weekly
courses to prepare. Achieve the desired results!

FINALS PREP COURSE

It's never too early to start preparing! We have a successful method
for improving finals' grades while helping avoid the stress that comes
with it. Come study with us, and beat the test!

MASTERING THE WORD PROBLEM

Many students cringe at the thought of word problems. We relieve that
anxiety by starting at the student's level and building the skills needed
to tear through word problems in a fun, supportive environment.
